Dear Friends:

Please join us as at our **57th Annual Reception on October 30, 2019, 7pm** at Sirico's Caterers located at 8023 13th Avenue in Brooklyn. The evening will be a celebration of our Party, unity and friendship, and opportunity to honor dedicated citizens by **presenting the James Gay Memorial Award to New York State Conservative Party Chairman Gerard Kassar** and the Alice Gaffney Memorial Award to a deserving Brooklyn Conservative to be revealed at the reception.

This annual reception is a tradition and an opportunity to come together, Our candidate for Public Advocate and judicial candidates are invited and public servants and leaders join us as we present honors. Hear how the Kings County Conservative Party continues to fight for Brooklyn, for our City- which is under siege from "progressives" who run the city down, from Socialists who denigrate our way of life; and for our State which suffers from a culture of corruption. We value your participation in this fight.

Please reserve tickets for the event by returning the portion below with your check for \$100 per person payable to the Kings County Conservative Party. Kindly also find enclosed a journal ad sheet on which you may take an advertisement in our souvenir reception journal.

Your ad in our journal, distributed at the event, is the single best opportunity to enable us to support conservative principles, initiatives, legislation and people who will support our first responders, fight government overreach in healthcare, education and religion, support fair and common sense tax relief, ensure a muscular criminal justice system and provide a safe and sane education system for our children. Thank you in advance for your support.

Sincerely,

Ross Brady
