

CPPAC 2024: Choose Well

February 4-5, 2024

The Albany Hilton (40 Lodge St. Albany, NY 12207)

In 2024, the Conservative Party hosts the 56th Annual Conservative Party Political Action Conference (CPPAC). It does so with national and state deficits ballooning, inflation crippling family finances, borders disintegrating, antisemitism rising, and the threat of war spreading. It is in this environment that Americans will soon choose our next President. In New York, we are also choosing a U.S. Senator, deciding upon members of our congressional delegation, selecting state legislators, and weighing in on a proposed constitutional amendment. **It is imperative to the future of our great nation and the stability of our state that voters choose well.**

This year's conference will arm Conservative Party members and other conservative-minded individuals with the arguments and abilities needed to protect constitutional liberties, preserve founding principles, check far-left policies and restore the glory of the Empire State. Informative general sessions, panel discussions and interactive breakout meetings will empower attendees with the practical skills necessary for operating a county party. Participants will also have an opportunity to converse with leading voices in the state and national conservative movement.

Registration begins at 11:30 AM on Sunday, February 4, welcome remarks start at 12:15 PM with the last session ending at 6:00 PM. Monday's registration opens at 8:45 AM, with sessions beginning at 9:00 AM. Lunch is scheduled for 12:30 PM. The evening concludes with a reception and dinner featuring Conservative-endorsed legislators, beginning at 6:00 PM.
